## Saturday, March 8<sup>th</sup>

### Build a Bluebird Box Workshop 10 am

Meet at the Nature Center, **\$10 per project**  
Eastern Bluebirds live in meadows and openings surrounded by trees that offer suitable nest holes. We can help them by installing nest boxes in areas that meet their needs. Participants will learn a little about the Eastern Bluebird and construct a nest box to take home with them.

Limited supplies, pre-registration recommended.  
Stop by the Nature Center or call (812) 829-4344  
Be sure to wear clothing appropriate for working outdoors.
